Workers Praised By Barrett

## 25,000 CARS CHECKED IN CAMPBELL TRAFFIC SURVEY

Nestor Barrett, Campbell Planning consultant, said in excess of 25,000 cars were checked in the gigantic city-wide traffic survey here Friday, and while concrete results of the check will be weeks in coming, he said everyone in Campbell should be congratulated for their wholehearted cooperation and participation.

Barrett said the survey went off in "fine shape". Even the weather cooperated. Results obtained for the survey should give an fairly accurate indication of the amount and flow of vehicular traffic, its destination and purpose, on a "normal" day in Campbell. A week before Easter, it was a normally busy period for Campbell shopping. Friday is an average day for traffic volume within the city. The 12-hour check should give a good indication of the peak periods of traffic in the city, the points of heaviest concentration, the direction of the flow.

Data from the survey will supplement information from other surveys, Barrett said, for a report to business men, educators, industrialists, and others concerned with the future growth and prosperity of Campbell.

Barrett said the residents of the city should be congratulated for their support in conducting the survey. Over 200 civic-minded citizens ,including students and faculty of Campbell Union High School, gave freely of their time and effort in making the survey a success. Campbell civic organizations have offered their help and are now busy sorting, compiling and interpreting the information. To have this work done by an outside firm, the planning consultant said would cost the city and taxpayers close to $10,000.

## Local C of C Election Set For April 21st Meet

Election of new officers for the Campbell Chamber of Commerce is to be a feature of the annual dinner meeting to be held a Villa Felice on the evening of April 21 according to arrangements completed today.

Assemblyman Bruce Allen and Fred Jacobson, manager of the Central coast division for the California State Chamber of Commerce are to be featured speakers.

A report by the nominating committee, William Enochs, Dave Ribble and Robert Seligson, will be followed by a vote from the membership, Verle Grizzle, president, will be master of ceremonies.

This will be the first dinner meeting combining election of officers in the history of the organization, according to Ed Laney, business manager.

## County Planners Act On Local Zone Petitions

Local petitions to come before the Santa Clara County Planning commission yesterday at Civic Center, included applications for a school site, a trailer park, and a new bank.

Leonard Scherbinski petitioned for an adjustment in the provisions of the Zoning Ordinance to extend the M-1 zone into the R-1; B-D zone to permit the construction and maintenance of a trailer park on property located on the north side of Farley Road between Santa Clara-Los Gatos Road and the Southern Pacific Railroad right of way.

Saratoga Union School District submitted a request for a school site approval off Saratoga-Sunnyvale Road, north of Reil Road.

A public hearing was held on the application of American Trust Company for a use permit to build a bank in an H-1 zone, located on the southeast side of Alum Rock avenue

James Baehr, co-chairmen of the PTA; Joseph Ruscigna, chairman of Dad's Club; Carolyn Coons, president of PTA and secretary for the committee; Mrs. Hugh Findley, prizes; Orrie Di Benedette, treasurer and cashier for the carnival; Mrs. David Beer, publicity for PTA; Harry Peters, publicity for Dad's club; Glen Guttormson, secretary for Dad's club; Norman Bowman, vice-president of Dad's club; and John Duncan, principal of Moorpark school.

## CAMBRIAN PARK RESIDENTS ARE DISTURBED OVER ANNEXATION TALK

By Maxine Baker

Weather reports are for a clearing skies but not so in Cambrian Park with the current annexation dispute gaining momentum.

In an informal interview with Dr. Ed Shaw, associate professor of economics at San Jose State College, I learned yesterday of an opposing group being formed favoring the community to sustain its present status or annex to a municipality other than San Jose.

Dr. Shaw recently conducted an exhaustive survey for the residents of Cambrian Park and after personal interviews with heads of all service departments of San Jose, he is not satisfied that present public services in Cambrian Park would increase upon annexation into that city.

Many present services are from the county or special service districts. In Shaws' opinion, these are adequate to meet the current needs of the community now and in the foreseeable future. Services include drainage, lights, and recreational facilities which the district can establish.

In any event, Cambrian will receive no free public services regardless of statements of San Jose city officials, and there is ample evidence which would lead an observer to conclude that the city planning and zoning ordinances leave much to be desired.

After interviews with all city officials in both San Jose and Los Gatos, and investigating tax records, zoning ordinances and special districts, such as the central fire district, Dr. Shaw feels qualified in heading the committee desiring to retain present status, or be a part of Los Gatos.

Don Finley of Weeth Drive is said to be heading the committee for annexation into San Jose.

Upon interviewing several residents I found:

Don Witzel of Lenray Lane, "We like it the way it is. That is why we moved here in the first place."

Edward Fauskett of Bercaw Lane: 'Everyone is getting along well enough. We might save a little insurance by going into San Jose, but taxes would increase to even it up. I feel it would be an added expense and would rather remain as we are."

George Gillis of Lenray Lane: "Let San Jose take care of their own problems without complicating ours. I prefer to wait five years to decide. Then perhaps Los Gatos or Campbell can take us which would be a d—— sight better than San Jose. We can always annex but once we're in, we can't get out."

Harry Leiter of the Leiter Drug Store: "We are new here but I feel any community cannot progress alone. My opinion is for entering Los Gatos, as we would get more consideration attached to a small city, rather than a cosmopolitan city. We would be lost."

Junette Garcia: "We came here for country living for our childrens' welfare. This is the environment we enjoy and that is why we are here."

## ANNEXATION IS BY-PASSED AT CPIA MEETING

Annexation talk was carefully avoided when Cambrian Park Improvement Association met Tuesday night in the auditorium of John Parker Elementary School to install officers for the new term.

While there were occasional allusions to the subject of annexation for the 686 home unincorporated area, retiring president Don Findlay kept the meeting centered on the scheduled investiture program outlined by James J. Braddock, committee chairman, and former president of the association.

Bruce Allen, state assemblyman and guest speaker at the program, mentioned general aspects of annexation as seen from Sacramento, but declined to commit himself on specific references to the problems presently confronting area residents.

**Findlay by-passed annexation controversy at Tuesday's meeting by urging members to attend a special meeting Tuesday evening, April 13, at the John Parker School auditorium, when annexation to either San Jose or Los Gatos, or other governmental status of the area will be discussed.**

Installation ceremonies at the meeting Tuesday, included a rededication of the ideals of the association by short talks from Jim Ersted, George Durkin, and Jim Braddock, who spoke for Lee Diehl. Ersted outlined the purposes of the organization—to promote better living conditions for residents of the area politically, socially, and financially. Durkin said the duties of the association were to keep members and residents informed of conditions as they exist and to assist in furthering improvements.

**Braddock reviewed the operation of the organization in presenting a united front to a community problem—from individual, to unit chairman, to secretary or president, to board of directors, to committee, to discussion in open meetings.**

Findlay summarized accomplishments of the association during his term of office which included (1) increased membership from 60 to 235 (2) State incorporation of the association as a non-profit organization (3) program of authorative speakers on issues vital to the area and (4) a successful program of youth and adult social activities.

Among the youth activities of the past year, Findlay mentioned the formation of Boy Scout Troop 73 (which now has 31 members), an Easter egg hunt, a Halloween and Christmas party, Union School frolic, Cambrian festival, Cambrianna, and the activation of a community church playground.

**Adult activities during the past year, included (1) a Cotton Hop, a Halloween formal, and New Year's Dance (2) formation of a "little theater" group (3) a golf culb (4) group participation in the Campbell area community chest (5) study and action on local school bond issues (6) a survey of local bus transportation and (7) a program on area problems such as drainage, annexation, home landscaping. Speakers included: Charles Gubser, congressman, Bruce Allen, assemblyman, Charles Gamble, Los Gatos mayor; Richard W. Morton, Campbell mayor; Hamilton Fish, landscape architect.**

Findlay's biggest gripe, he said, during his administration was lack of cooperation.

"It's a crying shame, that so much has been done for such a large area by so few, with so little help." Findlay concluded.

John Banks, new president, after introducing other officers newly installed, called for renewal of memberships and for committee volunteers.

New officers of the Cambrian Park Improvement Association installed at the meeting Tuesday included:

John Banks, president; Tony Bilardi, vice-president; Sally Morton, treasurer; and Margaret Slacke, secretary.

## FIRE RATES ON LOCAL HOMES REDUCED MAY 1

Effective May 1, general fire insurance on residential property in Campbell be reduced approximately 25 per cent.

Rates on dwellings with shingle roofs have been reduced 25 per cent; on compositioned roof dwelling, the reduction amounts to approximately 23 per cent.

Rates do not apply to contents of buildings. Insurance agents in the city have recently been notified of the change by Pacific Fire Rating bureau.

## Flames Damage Local Garage

Prompt response by the Campbell Fire Department prevented serious damage to a home at 356 Carlyn avenue during the noon hour Sunday. Firemen estimated damage at $300 and confined to the garage where, they said, hot ashes from the house fireplace had been left. The Kenneth Morton family, residing in the house, were not at home at the time of the fire. The house is owned by Earl Clark.

**MRS. RICHARD MORTON** is shown turning over the gavel as president of the Campbell Union Grammar School PTA to Mrs. Albert Bariteau in ceremonies Tuesday evening at the school. Mrs. Victor Carlino was the installing officer. Other elective officers installed were: First V. P. Lester Myers, second V. P. Mrs. Richard Max, third V. P. Mrs. John Sabo, secretary Mrs. Hugh Findley, treasurer Mrs. Raymond Davis, auditor Mrs. Frank Lima and historian Mary Silva. Committees are to be named by President Mrs. Bariteau at the May 4 meeting.

## Council Candidates Talk At Forum Meet

Nine of the eleven candidates for city council appeared on the public forum meeting Tuesday evening in the Little Theatre at the Campbell high school, presenting their qualifications and answering direct questions from the audience. Don Gracier, president of the Junior Chamber of Commerce, sponsoring the forum, acted as moderator.

Dorothy Trevethan and E. C. Merrill, incumbents for the office of city clerk and city treasurer respectively, were introduced. There is no contest for these offices.

John Chargin, first council candidate called on, commented on the recent traffic survey instigated by the planning commission of which he is chairman, saying the survey was orderly and painstaking but that results should be helpful toward future planning. His thinking is along lines of present council. He favors more light industry and limited annexation if economically sound. Chargin, like Mayor Morton, is an attorney.

Carolyn Coons, school teacher, presented her background of public services and her interest in working with people. She advocated a tax rate guarantee for potential new industries until such time as they can firmly become established.

Gordon Daum said he had a sincere and unselfish interest in city government and was prepared to follow a sound fiscal policy. Daum favors a broad tax base and sees progress for Campbell if suitable business and industry are attracted. Street maintenance within budget limitations, expeditious handling of citizen's problems, being helpful to residents in getting sewage facilities are planks in his platform. He said he holds allegiance to no one except the people of Campbell.

Joseph A. Feasel said he would strive to make Campbell a wonderful place for families to live and a nice place in which children may grow up. He said the school system here is already tops and he wants to see the city reach the same stature in statewide recognition. He offers practical business experience and initiative if elected.

Elmer Garrison said that in a growing city more police and fire protection is needed and that the best way to provide it would be to set up a broad tax base, go after new business and industry and not wait until it comes to us. In answer to a query from the floor, he said that regardless of the fact he owned Winchester Road property, this absolutely did not prompt his candidacy for office. A substantial tax payer he feels there is a big future for Campbell if business and industry are encouraged to come here.

Ray Gilpatrick briefly said that if elected he would serve fairly and impartially.

Charles Rose, a native of Campbell, said there were two main arteries coming in and out of Campbell and that industry and business must locate here to engage these people. He saw a need for greater payrolls. He placed no blame on the city for industrial prospects going elsewhere in the last several years, holding that Campbell was not then incorporated. The new condition is more inviting if we make it so and follow through to meet their interests, he said.

Claude Smith would be interested in improved streets. He wants our schools protected so other towns don't crowd us too much taking away schools on which we pay district taxes. He would be interested in every agency the purpose of which is beneficial to Campbell.

Mayor Richard Morton, after attending another meeting, arrived late but in time to state his platform to be basically the same as two years ago, that as in life we must crawl before walking, walk before running in order to make sure progress. He said we have passed through our infancy with definite caution but with sound, economic progress, a sustaining low tax rate and a balanced budget. He believes in getting all basic information before going headlong into projects and proceed on a pay-as-you-go plan. He is against deficit spending. Mayor Morton said the city is ready to progress with important street construction, including the widening of Winchester Road and Hamilton avenue at a cost of about $271,000. Some of this will be for a four lane approach to Route 5 freeway, the state in turn spending several times that sum for widening the interchange. He said the community must want light industry in order to get it.

In questions from the floor, G. A. Lathrop asked Smith his views on spot zoning. Smith said there was no long range pattern as conditions may change zoning. Herb Shadle asked Daum how people east of Los Gatos-San Jose Road will be affected by the freeway. It was pointed out that Hamilton avenue is to go over the freeway but that Campbell avenue will pass under the freeway. Daum said most people feel the freeway will be to the betterment of Campbell. He felt that business has a place along the highway rather than homes.

Mrs. MILES STANDISH and youngsters GARY and DOROTHEA will spend Easter vacation visiting with relatives in southern California.

## Postmaster Exonerated Of Charges

(Special to the Campbell Press)

**Postmaster Ira H. Grim of Campbell has been completely exonerated of charges lodged against him by a number of employes, the Post Office department announced in Washington today.**

In a letter to Congressman Charles S. Gubser, the department stated that inspectors have thoroughly investigated the complaints, and that "no further action in this matter is contemplated".

**'It is concluded", the report stated, "that the evidence obtained is not such as to warrant the department taking disciplinary action against the postmaster. He spends the required amount of time in the office and performs appropriate duties to the best of his ability. It is not believed the postmaster has discriminated against any of the employees or against persons who have sought employment in the office."**

Gubser explained that the charges were contained in letters sent by a number of employees. As a matter of policy no action is taken by his office in such matters, and they are turned over to departmental authorities for administrative handling in the executive branch.

## Election Fever Hits Campbell

Interest is keen in the election to be held in four precincts here next Tuesday from 7 a. m. to 7 p. m. to choose five councilmen to guide the city destiny for the next two to four years. There are 2501 qualified voters, and the polling places will be at the fire station on Central Avenue, the Grammar School and the high school on Campbell avenue and at the Baptist Church at 115 Sunnyside.

**Election returns will be gathered by the Press Tuesday evening. First returns should be tabulated around 8:30. Phone FRanklin 8-0082 or call at the Press office for election returns.**

Two incumbents, Mayor Richard Morton and James Arends, seek re-election, while Councilmen Gomes, Jensen and Dahl are retiring from office. The new candidates are John M. Chargin, an attorney; Joseph A. Feasel, factory superintendent; Gordon Daum, sales representative; E. A. Garrison, building contractor; Ray Gilpatrick, carpenter; Charles Rose, business man; Claude Smith, real estate agent; Verle Grizzle, jeweler and Carolyn Coons, teacher.

There were fourteen candidates for council in the first election in May, 1952 when 1319 votes were cast. The tally was Dr. Frederick Snyder 541, Richard Morton 540, Joseph Gomes 520, J. B. Arends 492, J. M. Dahl 491, L. W. Harmon 430, Leslie Kerr, 280, Walter Silberbauer 266, Verle Grizzle 234, Carolyn Coons 231, W. Johnson 200, William Morgan 181, E. Johnson 175 and E. W. Swan 129.

## Buc Trackmen To Compete In Cal Aggie Meet

Members of Campbell High School track team are working hard in order to place high in the team as well as individual team standings in the Annual Aggie Picnic Day invitational Track and Field Meet, April 10.

This annual event at the University of California is the largest one day high school track and field meet in the world. Over 1,000 athletes will be participating in the Picnic Day program.

Preparations have been completed by Walter Estelle, director of the event. Over 62 high schools from northern and central California will be represented.

Other picnic day activities include a college swim meet ,aguacade, folk dance, festival, band concerts, and a parade.

The program will conclude with a dance in the evening.

## VOTE AS YOU PLEASE, BUT VOTE

Voters in Campbell are to choose next Tuesday, five city councilmen from a list of eleven qualified candidates. This is to be the first election qualifying for terms of office, the three candidates polling the greater number of votes to serve four year terms while the next two are to serve until 1956 at which time the office qualifies for a four year term.

There have been no issues presented in this campaign. The candidates have had full opportunity to tell of their qualifications in the news and advertising columns of the Press. A forum meeting on Tuesday night brought candidates face to face with voters.

The Press favors home town enterprise and wise, community planning. Most of the candidates have demonstrated a similar interest.

This is an important election for there are heavy responsibilities associated with the new term of office, a period of growth which will call for sound judgment. It is a job for which there is no monetary remuneration, but which calls for long hours of deliberate and constructive thinking for the common welfare of the community at large.

Go to the polls and vote, Tuesday. It is your privilege to thus express your choice of the five candidates you deem best suited to represent your home town.

## BEWARE OF INVADERS WITH GIFTS

There seems to be a lot of unrest over in Cambrian Park over assertions that a large block of their lands is being prepared for annexation to San Jose. Just where this report is coming from, and the nature of its foundation, no one seems to know, but it is being published in a very presumptive way in San Jose dailies.

It is the same old approach they have used in other annexation campaigns, promising a park and a lot of other nice things. They say nothing about San Jose taxes being about three times those in Campbell. So far as providing special facilities such as a park, it is obvious that taxpayers have to pay for it, the same as is to be done in the Campbell High School District for the two million dollar new school voted for Cambrian Park. The big boys at the steering wheel, smoking their big, black cigars, have included this projected new school in the propsed area for annexation to San Jose.

Campbell to be true, had nothing to offer the people of Cambrian Park at the time of the election except a genuine, wholesome interest in providing for them a new school. There were no strings attached. Cambrian Park sends their children to our high school; they are on the Campbell telephone exchange.

Cambrian Park is a new community of good homes, and its people have a right to guide their own community destiny. Why it has to be fashioned by outside forces is something which many of the people do not understand. From what we are able to learn, they would like to run their own affairs and remain as they are for awhile in an unincorporated area. That sounds sensible.

Wasn't it Aesop who once said, "Beware of invading Greek Gods who bear gifts in their hands!"

## APRIL HISTORY

Within the 30 days which the calendar allots to April more vital events have probably occurred than in any other month of the year.

April marked the beginning of the Revolutionary War, the Spanish-American War, World War I, and the start and finish of the Civil War. One of the most remarkable coincidences in history occurred in April just nine years ago when within the space of 18 days, three of the national leaders in World War II met death. Franklin Roosevelt passed away suddenly on April 12, Italy's Benito Mussolini died violently at the hands of a mob on April 28, and two days later Adolf Hitler took his own life as the Russians closed in on his Berlin bunker.

Abraham Lincoln died April 16, 1865; the San Francisco earthquake occurred April 18, 1906; and the UN was born in the same city on April 25, 1945.

## EXCISE TAX CUTS

The $1 billion yearly slash in excise taxes which went into effect last week isn't a great deal when divided amongst 160 million Americans. But it means less strain on the family purse and the difference will permit more purchases during the year, or if saved, will add up to an appreciable sum over a period of several years, especially for a family of four or five.

Telephone users, theater goers, camera fans will find costs lower. The lady of the house can now get appliances for less. Fans at professional football games will have only 10 per cent instead of 20 in tax to pay, while at college games the 20 per cent tax will be no more. People who travel will do so at more advantageous rates, milady's beauty costs will touch the pocketbook more lightly and people who like jewelry will be happy with the new prices.

As a special note to husbands, we wish to point out that a $1500 mink coat for the little woman will now set you back a mere $1375.

It is not expected that the tax cuts will set off a buying spree but it will surely put people into a better frame of mind for spending for needed things. To say the least, that won't hurt business.

# LETTERS TO THE EDITOR

**Opinions expressed in this department do not necessarily reflect the editorial policy of this newspaper.**

Editor:

I wish to personally thank the Campbell Fire Department for their prompt action Sunday, which confined a potentially ruinous fire to the garage of my house on Carlyn avenue.

I was notified of the fire at the same time as the fire department, and I live on Harrison avenue about a mile away; yet when I arrived at the scene of the fire, the local department was already there, had necessary equipment in operation and had the situation under control.

I can only say this: that if the Campbell Fire Department had not acted so promptly, I would have no house on Carlyn avenue today.

signed,

Editor, Campbell Press

We wish to take this opportunity to thank members of the Campbell Fire Department for their prompe response to the fire at our home on Carlyn avenue Sunday afternoon. Had it not been for their prompt response and the efficient manner in combating the blaze in the garage, the damage to the house would have been much more severe. We sincerely appreciate the courteous relations they had with us when everything was under control.

# The Campbell Gambol

ALREADY Some twenty-five members of the Campbell Kiwanis Club have signed to go in a chartered bus next Tuesday to Kingsburg down Fresno Way returning late that night . . . Dr. W. R. Morgan, a past president and district governor, was inducting two new members, L. Merrill Doud, traffic engineer for the telephone company and Jack Fischer, principal of the San Tomas Elementary School on Tuesday and told a story about what happened in one of the schools . . . teacher asked little Johnny who it was had signed the Declaration of Independence, and Johnny said 'damned if I know' so teacher told Johnny to go home and tell his father and not come back unless Dad came along, which he did, the father inquiring as to what had Johnny done now . . . teacher said she would show him, so asked Johnny who it was had signed the Declaration of Independence and Johnny said again 'damned if I know' . . . so the old man said, well I think we can get this straightened out alright if Johnny and I can have a little conference in the hall, so they went out there for a minute and Pop said to the boy, 'listen you, we got to get together on this, if you signed the damned thing, tell her!"

CHERRY TREES Are in bloom but not many of the Kwanzan blossoms have come out yet and none are expected for two or three weeks . . . only ones seen in bloom so far are on Hamilton avenue near Meridian, but there are flowering peach, crab apple and plum in an array of color in the sea of prune blossoms sweeping over the valley.

TRAFFIC SURVEY Last Friday brought out more than 200 students and teachers, service club members and . . . even the Mayor to check cars as late as ten o'clock, resulting on an accounting for more than 25,000 cars passing over the main roads . . . a mechanical counter had been placed on Rincon avenue and on Latimer to catch cars coming in from the San Tomas area which escaped being checked by the enumerators at Budd and at Hamilton avenue intersections with Winchester Road . . . some of deductions being that a lot of Campbell people seem to go home for lunch.

IF A MONORAIL Is built down the peninsula to San Jose, it will be nothing new for Mr. and Mrs. Eric Engemann of 450 Foxworthy avenue as the world's only monorail runs from Englemann's home town of Barmen, Germany to Ebergied and as a boy he rode it many times . . . in 1934 the Engemann's visited Germany and rode the ten mile route by monorail along the Wupper river . . . supporters of the Peninsula monorail envision towers in the dividing strip of the Bayshore highway with the monorail going overhead, each car carrying 100 passengers at speed up to 100 miles per hour . . . and it might even extend to Route 5 Freeway from San Jose to Los Gatos via Campbell, in the opinion of those who know its safety record and smooth riding.

# Telephone Users Here Save $2590

About $2,590.00 a month will be saved by Campbell telephone users starting today (April 1), effective date of the excise tax reductions recently voted by Congress, according to T. T. Cook, Jr., District Manager of Pacific Telephone.

This will mean cuts in excise, or "sales" taxes on all telephone service from 15 and 25 per cent to 10 per cent. Tax reductions will take place on bills dated April 1 and thereafter.

The largest tax cuts will be on long distance calls costing 25 cents or more, now taxed at 25 per cent. Thus, where telephone users previously paid $2.50 in taxes on $10.00 worth of long distanct calls, they will pay only $1.00

Tax reductions also mean that on bills dated on or after April 1 a two-party residence customer here, who has been paying $4.49 a month, including tax for exchange service, will pay $.20 less.

# CAMPBELL HIGH F.F.A. STUDENTS WIN GOLD AWARDS AT AREA MEET

At an awards banquet held recently at the Sainte Claire Hotel in San Jose, two vocational agriculture students from Campbell Union High School were named gold award winners in the 1954 Farm Program Competition of the Future Farmers of America. The boys are: Richard Rice and Gary Steindorf. Five other boys from Campbell High received silver awards. They are: Tony LoBue, John A. Mitchell, Charles Nigl, Randall Nutting and Ted Bohn.

The awards banquet, sponsored by American Trust Company, was the climax of the 1954 Farm Program Competition in which more than 4,000 Future Farmers from 63 high schools of vocational agriculture participated.

The basis of the competition is the supervised farm project which is a requirement of membership in F. F. A. and of enrollment in vocational agriculture. These projects, including the raising of cattle, sheep, poultry, or crops, were judged at each school early in March. Top projects from all the schools were then entered in sectional competitions held in seven Northern California areas. Sectional judging took place from March 15 to 20 and in this area was done by Lionel Cross, Supervisor of Agricultural Education, San Jose Unified School District and Ralph Gilman, Field Representative, American Trust Company. The banquet held in San Jose was one of seven sponsored by American Trust Company for the winning Future farmers.

## St. Lucy's Show Of Fashion Styles Judged Success

Over 200 attended the St. Lucy's fashion show last week at St. Lucy's school, which officials claimed an outstanding success. Mrs. Debra Bihn, commentator, was credited with much of the success of the affair with her pointed and humororus comments on the models as they strutted their spring styles down the raised ramp in the school auditorium. Child models in playclothes, swim outfits and dress up and night wear received favorable comments.

Clothes modeled were cottons and nylons for casual western living.

Mrs. Ralph Nelson had charge of wardrobes, and with her helpers, were complimented for the professional timing of the models.

Individual pies and coffee were served by a large group of hostesses.

During intermission Mrs. Von Fleck's vocal selections were much enjoyed, as was the musical accompaniment by Mrs. Metcalf.

The ladies of St. Lucy's have plans now for making the affair a yearly fashion event.

## Easter Services Calendared For Cambrian Church

## Marilyn Kay Helps Organize Medical Society

Interest and effort of Miss Marilyn Kay, secretary to Dr. J. Frederic Snyder, Campbell surgeon, was brought to realization on March 29, when the Society of Medical Assistants of Santa Clara County formally met and officially organized.

For several years, Miss Kay has felt that a coordinated educational program for the secretaries and nurses employed by physicians could enhance the welfare of the patient, and she has devoted considerable time to attaining this end. With the assistance of Mrs. B. L. Andrews of San Jose, the initial meetings were organized and the Society is now a reality.

The Society of Medical Assistants was originally formulated in Sacramento County in 1950. Its primary intent—to foster better interoffice relations, increase office efficiency and further the welfare of the patient while providing increased educational and social activities for its members—has gained statewide acclaim, and each year finds additional chapters developing, particularly in areas containing the larger medical centers.

As yet, officers have not been elected. However, 75 members have incorporated, adopted a constitution, approved by-laws and have determined the scope of the tims and activities in this chapter. Miss Kay is presently serving as chairman.

## Legion Auxiliary Slates Meet For April 14 Here

A program on Mexico in observance of Pan-American month, will be given Wednesday, April 14, when Campbell Post 596, the American Legion Auxiliary, will hold its regular business meeting. Mrs. A. H. Olsen, president, will preside.

The program will be under the direction of Mrs. Mary E. Hummel, Pan-American chairman.

Plans will be made for the card party April 28. Reports are also planned to be given on essays on Americanism, now being conducted by Campbell Union High School.

Annual birthday potluck will be held May 26, officials for which will be announced at a later date, spokesmen said.

# BUC NINE MEETS LIVE OAK TODAY IN LEAGUE TILT

Mel Stein's Buc nine takes on their second league toughie this afternoon when they meet Live Oak High School on the Campbell diamond at 3 p. m.

While Campbell was losing 7-3 to league favored Fremont last week, Live Oak was beating Los Gatos 2-1, in their league opener.

Fremont presently leads the league with a 2-0 record followed by Live Oak (1-0) and Santa Clara (1-0). James Lick has one for one, while Campbell, Los Gatos, and Mountain View and Washington have one loss to their record and no wins.

Fremont's Don Griffin, as expected, was the most outstanding player in the Fremont-Campbell tangle last week, according to Buc coach, Mel Stein. With a strong right hand delivery, generously interspersed with tricky curves, the Fremont hurler faded 16 Campbell batters and walked but two. In addition, re drove in two of his team's runs.

Larry Sutton starred for the Bucs with a triple in the bottom of the sixth with three men on.

# SAN TOMAS CUBS DON GLOVES

The youth of San Tomas Elementary School will don gloves and display fistic prowess Friday, April 23, at San Tomas School. Action will begin at 8:00 p. m., with bouts sponsored by the Cub Pack 30 Committee to finance the summer program for San Tomas Cub Scouts.

The junior Jack Dempseys' will provide a great evening of entertainment with the accent on laughter.

# TRACK TEAM GOING TO DAVIS PICNIC MEET

Jr. Morgan's great Campbell Track team, now touted as a strong possibility to cop SCVAL honors, is having its busiest two weeks of the season. Tomorrow they hold another practice meet, this time against the San Jose Bulldogs there. This Saturday they make the jaunt to Davis to engage in the Ag college sponsored "Picnic Meet." Twenty-nine Varsity and B prospects will leave the school at 5:45 A. M., Saturday morning, accompanied by Morgan, Asst. Track Coach Jim Muir, in a school bus driven by a third coach, Bert Robinson.

Even Junior Morgan, who normally is even humbler than he is hard workin, admits now that he has something this year. His Bucs scored a surprisingly easy 74½-47½ victory in a dual meet against a strong Fremont team last Friday, which Morgan claims is just part of his policy of "bringing them along slowly this year. We want to save our best efforts for the time we really need them."

The Bucs have shown team spirit as well as team effort so far. They root for one another and unselfishly forget about personal glory. Seemingly they are heading for their two "big dates"—the James Lick dual meet at Campbell on Friday, April 30th, and the conference relays to be held at Fremont late in May. The Lick encounter undoubtedly will decide the SCVAL dual meet championship, for Campbell has already taken care of Live Oak, Los Gatos, and Fremont. Bill Sullivan has another powerhouse over in East San Jose for Aguiar looked like a streak with his 10.4 hundred and 54.5 four forty and Eddie Brewer looked unbeatable taking the high hurdles in 15.8 and the low hurdles in 21, besides taking a second in the high jump.

In Friday's one sider over Fremont, the Bucs were led by sprinter Fred Carrington and weightman Bill Gregg. Gregg threw the discus 123 feet and his 51 foot 9 inch shotput heave bettered the SCVAL relay record of 51' 6". Though he was second last week in hop, step, and jump, Carrington won the sprints in 10.5 and 23.1. Rod Sprecher and Roy Cureton were one-two in both hurdle events, even though Sprecher had a bad time disqualifying himself by knocking over two hurdles in the high event.

But Coach Morgan says he was most pleased with the surprising victories by his C and D spikemen. The 120 score was Campbell 57 and Fremont 39; the 110 score Campbell 48½-36½. Morgan likes the perseverance of Bobby Goff, a fleet "D" sprinter, and C's Barry Miller, Hakeo Sakemoto, and Monte Nielson. Miller broadjumps and runs the 150 and 330 while Sakemoto looks like a comer on the 75, low hurdles, and high jump. Nielson already looks like "next year's hops" as he rounds out on the 750, 150, and the hop, skip, and jump events.

**Bill Gregg, Campbell High School's all-around athlete is looked on to set a record in the shot put in high school competition this season. He has heaved the shot 51½ feet in competition.**

About his varsity men, Morgan said, "Our 880 relay team, which took a first over Fremont, hasn't reached anything near its full potential yet. Once Don Davis, Leon Maddin, Fred Carrington, and Roy Cureton learn to pass the baton better, they will be capable of breaking all sorts of league records. Gregg is sure to get better and better as the season progresses in both shotput and discus. But our real hopes and aspirations are tied up in how well Tony Schraub does in the quarter mile and Don Davis in the 880. If these two come through, there'll be no stopping us!!"

Other firsts from last Friday's victory over Fremont included:

| | |
|---|---|
| 100—Carrington | 10.5 |
| 220—Carrington | 23.1 |
| Mile—Beth | 4:55.5 |
| 180 yd L. H.—Sprecher | 23.1 |
| Relay—Campbell | 1:35.1 |
| High Jump—Forrest | 5' 9½" |

The pole vault was a tie for first among Sutterfield, Yates, and Tuttle, all of Campbell at 11 ft 3 inches.

# JUNIOR PROM PLANS COMPLETE

The dance of the year and school function most remembered by all local high school students is the Junior Prom.

It is one of a dozen events specifically set up for the Juniors.

During second semester possible themes are carried to a junior class meeting by representatives from all English III classes. The word "Paradise" was evident in four of the six themes finally chosen by this year's Junior Cabinet. Voting took place in all Junior English classes, with "Oriental Paradise" the popular choice.

Four to five hundred dollars is available for expenses. This money isn't donated but earned—by the juniors themselves in magazine and candy sales.

Each junior and senior is given a bid to the prom; this guarantees free refreshments as well as entry. Committees are formed and subdivided so that each wall of the girls gym, the refreshment area, pool area, etc. are all effectively decorated in this year's Oriental motif. Hundreds of students spend off-hours rolling crepe paper and clipping decorations to make the quick decorating on the last two days possible.

On Thursday, May 27, from three in the afternoon until nine o'clock at night, the decorating is done by "volunteers" from the whole junior class, faculty and students alike. Some 600 students will enjoy the results of this year long culmination. None will be "strangers" in this Paradise.

# Buc Tennismen Top Fremont, 5-0,

Campbell High Tennis men outstroked Fremont High School Thursday 5-0 on Campbell courts with Eric Protiva leading the Buc squad with the only love set.

Protiva knocked over his opponents 6-0, 6-4, Louis Aubert and Bob Stubbe combined to take a doubles set 6-1, 6-1.

Other Campbell winners were John Prizmich, Glen Miller, Jerry Thornley, John Davis, Roger Swan, Ken Prusso, Dave Spaulding, Tom Goulding, Nathen Meller, Dave Addleman and Dick Reynolds.

## Billy Jones' Railroad To Run For Polio Victims

Billy Jones' miniature locomotives of his "wildcat railroad" will be chugging around the track Sunday, April 11 from 2 to 5 p. m. Rides will be free, but donations will be accepted to help buy respirators for victims of polio, according to spokesmen for Bethel No. 174 of the International Order of Job's Daughters, sponsor of the project.

Everyone, young or old, is invited to ride on Billie Jones' famous trains. The wildcat railroad is located in Los Gatos on the corner of Daves avenue and Santa Clara Los Gatos Road.

# DeMolay Members To Attend Affair

Annual State Convention, Order of DeMolay, will be held in Monterey April 11, 12, 13 and 14. Those attending from the Campbell chapter are: Harold Windell, Master Counsellor, Joseph (Bud) Teasel, Senior Counsellor, John Davis, Junior Deacon, Elmer Anderson, Treasurer.

Some of the men of the Advisory Council also plan to attend the convention on Sunday.

## Services Today For Antone Ferro

Funeral services will be conducted from St. Lucy's Church at 9 a. m. this morning for Antone Ferro, 74, Campbell resident for 50 years, and popular former custodian for Campbell grammar schools. He died Monday evening at his home, 44 North Central avenue.

A rosary was said last night in the Darling-Fischer and Krug Memorial Chapel, under whose direction the funeral is being arranged. Following church services this morning, interment will take place at Las Gatos Cemetery.

He is survived by his wife, Catherine Ferro, sons, Laurence Ferro of San Jose; and Robert Ferro of Campbell; daughter, Helen Dahms, of Campbell; and sisters, Rose Baker of Kansas, and Mrs. Carrie Abes of San Jose.

### Letter to the Editor

April 7th, 1954

Editor Campbell Press

Campbell has just lost one of its senior citizens, Antone (Tony) Ferro. He has been a very active member of the Campbell community for many years.

He was custodian of the Campbell Grammar School for more than 25 years and came in contact and exercised a strong and favorable influence over most of the youths of the community during that period of time.

He was a member of the Kiwanis Club and very active in the Scouting Program of Campbell and in sports.

Tony's influence will live forever in the minds and hearts of thousands of Campbell citizens. His virtues of industry, courage, and service to youth are an example to remember.

WHY
RALPH SALMON
FOR
SUPERVISOR
(4th District — Election, June 8)

You as a GOOD CITIZEN want a GOOD supervisor to represent you. You want a man you can trust to work and fight for those items of progress that you yourself would work and fight for. Many men and women in the Fourth District who know Ralph Salmon believe he is the man. They are going to vote for him. Will you?

Aims and Objectives

1. Top priority to correct:
   (a) Jail and jail farm conditions.
   (b) Juvenile hall conditions.
   (c) Hospital needs.
2. Consideration of the establishment of a county-wide recreation program.
3. A critical survey of all outside water resources with a view to supplementing our present local supply.
4. Determination of an annual budget in the interest of an overtaxed public.
5. A sincere promise of a cooperative and harmonious effort toward government.

VOTE FOR

GORDON DAUM

FOR

City Councilman

AT TUESDAY'S ELECTION

★ With allegiance to none but the people of Campbell
★ With a genuine interest in civic welfare of Campbell
★ With no business or professional ties which might in any way financially benefit me

I offer for your consideration this

PLATFORM

1. A continued sound fiscal policy for the administration of City Government.
2. Establishment of a broad tax base.
   a. Progress for Campbell by attracting suitable business and industry with regulation, yet not hampering business and industry from locating.
   b. Annexation wherever advantageous to Campbell.
   c. Cooperation with Campbell Chamber of Commerce and other civic-minded organizations.
   d. Continued growth with sound planning.
3. Campbell to assume responsibility of street maintenance within limitations of the budget.
4. Expeditious handling of citizens' problems brought before city council.
5. I endorse the policy of the city helping its residents acquire sewage facilities wherever possible.
6. Discharging duties of Councilman as a representative of the people in a diligent and trustworthy manner.
7. Cooperation with the State Division of Highways and the County of Santa Clara to provide traffic safety for highway intersections in Campbell.
8. A sound, honest government as the right of every citizen.

Be Sure to VOTE FOR DAUM at Tuesday's Election

## SCHOOL SINGERS SERENADE DURING SCHOOL ASSEMBLIES

Elementary schools in the Campbell district had a chance to see, hear, and compare their music groups with those of other schools in special assemblies this week.

Moorpark School held a special assembly Monday afternoon to applaud the glee club from Rosemary School under the direction of Wallace Johnson. The Moorpark glee club also sang during the assembly program.

Yesterday, the Moorpark group under the direction of Jack Barret, traveled to Cypress school to join the Cypress singers in a special musical program before the Easter vacation.

## Congregational Church Notes

On Palm Sunday, April 11, baptismal services for children will be held at the Congregational Church. Those wishing to have their children partake of the services, are asked to contact Rev. Corwin H. Olds for arrangements.

Traditional "Candlelight Communion" services will be held Maundy Thursday, April 15, at 7:30 p. m.

# CITY PLANNERS TO CONDUCT SURVEY OF PARK FACILITIES

John M. Chargin, Chairman of Campbell planning commission, at a meeting Thursday in the fire house, appointed commissioners J. A. Tomlinson, Ted Solari, and Kenneth Priestly to serve with him in a survey of park and recreational facilities in Campbell in line with a request from the Board of Supervisors of Santa Clara County.

In other action the commission approved an architectural map submitted by Standard Oil Corporation for a gas station at the corner of San Jose-Los Gatos Road and Hamilton avenue. Approval of map was subject to the following conditions; that curbs and gutters be not less than thirty-three feet from the center of Hamilton avenue, and that builders comply with city requirements for sidewalks.

Chargin appointed commissioners G. E. Farley, Hollis M. Logue, and Nestor Barrett, planning consultant, a financial committee to work out 1954-55 budget requirements for the commission. Report is due for the meeting of April 15.

Master street and highways plan for the city, earlier referred to Barrett because of doubt as to the validity of the plan to widen Hamilton avenue to 120 feet was tabled until a later date, pending additional study.

Barrett presented a tentative subdivision map of the Ann Romano property off Camden avenue between San Jose-Los Gatos road and Erin way for commission's comments.

Campbell planners rejected a map submitted by Mrs. Ruby Mason, for property at the end of Alice avenue and Winchester road. They found a discrepancy between the plot plan and the floor plan.

Ralph E. Weaver was granted a change of zone from R-1 to R-2 for property in Tract 1246, Hamilton Square subdivision, Unit two, at the close of the second public hearing on the matter Thursday night.

Pacific Gas and Electric Company said in a letter to the commission that it would be more economical and to the advantage of property owners to place power poles in the street line, in the Warning subdivision, which fronts on an extension of Llewellyn avenue north of Campbell avenue.

Mayfair Packing Company, denied a use permit to operate a cherry stand at the corner of Hamilton avenue and the San Jose Los Gatos road, was advised at Thursday's meeting to file for a variance to operate the stand.

**ROTARY PROGRAM**

Merritt Greene, of Green-Bird's Eye Nelson Travel advisors from 34 E. San Antonio, San Jose, will discuss "Hoy To Travel" Dave Rutherford is Rotary Chairman of the day.

## Trained Choral Group Heard By Kiwanians Here

Members of the Campbell Kiwanis Club at a meeting Tuesday noon heard the well trained voices of some 45 members of the seventh and eighth grade girls' chorus from Campbell Union Grammar School, directed by Carol Eastman and with Susan Quist as piano accompanist. The girls were gowned alike. They are to appear soon in a music festival at San Francisco.

Wayne Fontes, principal of Hamilton School was program chairman. Boys from the same grade level followed the girls' chorus in some barber shop harmony. They were directed by Ben Ziegler.

## Regina Shomake Summer Bride

Rev. and Mrs. F. V. Shoemake of 1809 McBain Ave., recently announced the engagement of their daughter to Regina, to Mr. David Theobald, the son of the Rev. and Mrs. R. G. Theobald of Santa Cruz.

Regina is currently enrolled at Campbell High School, and David is an alumnus of Santa Cruz High.

An early summer wedding is being planned by the couple.

## VFW OFFICERS INSTALLED HERE

Richard Bernal is new commander, and Edith Smith is new auxiliary president, following installation ceremonies of Lt. Byron C. Lanphear Post and Auxiliary Tuesday evening.

Ralph Jones, 12th District Commander, and an installing team from Major R. T. Zane of San Jose Post No. 344 officiated at installing ceremonies.

Auxiliary installation was lead by Allyce Keys of Major Zane Auxiliary to Post 344 of San Jose. Team members were from Vic Handerkin Auxiliary to Post 3045 of Los Gatos.

## Leone Keesling Called By Death

Mrs. Leone Keesling, member of well-known Santa Clara County pioneer family, and active member of Orchard City Grange, died

MRS. LEONE KEESLING ... Passes Away

Friday, at age 58. Services were held Monday at the Chapel of the Roses with interment at Oak Hill Memorial Park. Officiating at funeral services was Rev. Herbert H. Neale, pastor of Campbell Methodist Church. Graveside services were under the auspices of Santa Clara County Pomona Grange.

Orchard City Grange members, Edwin M. Standish, and Lucille Hoerler, read the Grange ritualistic service. Rutherford Funeral Home of Campbell was in charge of arrangements.

Mrs. Keesling was born in Newport, Kentucky, Oct. 6, 1895. In 1914 she married Mervyn S. Keesling. Since 1938, she and her husband have been members of Orchard City Grange No. 333 in Campbell. Se was best known in the Grange for her work as Lady Ascsistant Stewart, having served in both subordinate and Pomona granges in that office.

Interested in the ritualistic work of the Grange she was a member of many winning teams in State Grange competition. She was chairman of Orchard City Home Economics Club and served two terms as its treasurer. She played the piano in the Keesling family orchestra that entertined Granges here and in other parts of the state.

She leaves besides her husband, Mervyn, her mother, Mrs. Alice Reynolds, and an aunt, Mrs. Lambert Skillman; five children; Reynold, Mona, Robert, David, and Mrs. Betty Boytek, all of Campbell; two brothers, Charles Reynolds of Cancord, and Hubert Reynolds of San Anselmo.

Mr. and Mrs. RALPH EHRET returned this week from a five day vacation to Death Valley.

**FIVE PARKED CARS In front of Campbell High School were nicked Monday noon by this flatbed truck driven by Yosho Uyeoka of Route one in Saratoga who was cited by police for driving with an expired license, without having his vehicle registered and having poor brakes. Police Chief Robert Locke is here seen surveying the damage. One car was knocked 16 feet over the curb and on to the campus lawn while another was knocked eight feet. Uyeoka said he was looking in another direction when his truck hit the first car fouling up his steering apparatus.**

## Foreign Diplomat Talks To Students

Kurt Singer, former overseas "spy" for the United States government, spoke to the Campbell high students in both assemblies Tuesday morning. Now working out of New York City Singer is a graduate student at the University of Minnesota after having eleven years of overseas service working for foreign newspapers and the U. S. gorernment.

"I was overseas gathering materials for my books when a man came up to me to enlist my aid in overseas spy work," Singer started out. "I, of course, refused. Then I was shown his credentials, and learned that my new employer was to be Uncle Sam. I spent a decade in Europe learning how Communists and other enemies work to pull us apart. Our worst threat comes from the one time 'sitter'. For we have most to worry about the traitor who would sell us out just once—for the money he needs at the time."

Singer assisted in catching Judith Coplon, guilty of exchanging U. S. secrets for the love of a Russian.

Singer said he was disturbed that politics is being confused with patriotism contending that the nation is more important than any segment of it.

## Myron Miller Book Reviewed At Club

Myron Miller of the Campbell High School faculty, presented a review of the book he is currently writing surrounding the Martin Murphy Family, when the Country Womans' Club met yesterday in their Campbell clubhouse.

The musical portion of the meeting included vocal selections by Janice Mulsow, accompanied by Miss Ruth Phillips, and accordian selections by Vince Figliomeni.

Mrs. E. C. Price served as chairman of the day, assisted by Mesdames Hanley Murray, Ernest Barron, S. T. Blaire, Joseph Dahl, and John Perata.
